## MESSAGE FROM THE PRESIDENT

We are privileged to be women educated in this twentieth century of revolutionary change. Ours is the daily encounter with reality in learning experiences to choose, to change, to grow, and to adapt. The spirit of St. Teresa of Avila challenges each of us to go forward wisely, courageously, and faithfully in the fulfillment of self through service to our fellow man.

---

## ABOUT THE COLLEGE

Avila College realizes its place in contemporary society. While methods and facilities of education are being constantly adapted to meet the challenges and needs of our times, the basic values and objectives of the college cannot change.

The foremost objective of Avila is to provide each student with the opportunity to develop intellectually, spiritually, culturally, and professionally so that she can continue in her personal development during her lifetime and find fulfillment in service to her fellow man. To this end the administration, faculty, and student body are dedicated.

## THE SCHOOL SEAL

This is the official school seal, designed by Mary Finney Black, class of 1935. The open book in the center is a symbol of our school's patron, St. Teresa of Avila, the Spanish Carmelite of the sixteenth century.

The inscription on the pages of the book is the school motto: "Deo Adjuvante Non Timendum"--God helping, there is nothing to fear.

The lily carved immediately above the book is the emblem of St. Joseph and, consequently, of the Congregation of the Sisters of St. Joseph. Because the Sisters of St. Joseph of Carondelet are consecrated to the Most Holy Trinity and are placed under the protection of the Holy Family, a triangle, symbolic of the Holy Trinity, and a trefoil, symbolic of the Holy Family, are drawn about the book.

## ACTIVITIES AND TRADITIONS

### ART EXHIBITS:

Throughout the year there will be exhibits on display in the Alumnae Lounge of Marian Center. Exhibits will be from the collections of various well-known artists.

In the spring the senior art students exhibit selections of their work in Marian Center.

### AVILA DAY:

Avila Day, commonly known as "College Day", held on or near the feast of St. Teresa of Avila, is an annual tradition of the college during which all new students are formally initiated into the academic life of this institution.

As part of the day's activities, each class presents song medleys which are faculty-judged according to quality and participation. The winning class receives a monetary award from the Student Council.

### COMMENCEMENT:

Occuring at the end of the school year, this program includes a solemn procession with faculty and students in full academic dress, an address by a baccalaureate speaker, and the conferring of hoods on the graduates.

### DRAMA PRESENTATIONS:

The drama department presents a varied series of annual productions among which are: serious full-length drama, oral readings of literature, Chamber Theater, Reader's Theater, and a play based on children's literature which is presented to the various grade schools in the city.

### FACULTY OPEN HOUSE:

Hosted by the Parents' Club, this activity provides the students with the opportunity of presenting their families to the members of the faculty and administration.

### HONORS CONVOCATION:

This tradition is almost self-explanatory; outstanding students are recognized for their contributions to the college and for their achievements. A listing of the honor societies and awards may be found in the catalogue.

## ORIENTATION:

An entire day is set aside before the beginning of the first semester during which all new students are provided with necessary information about registration and student organizations. The information obtained at orientation is essential for the student unfamiliar with college life.

## KEY CEREMONY:

The senior class is presented with their college keys (or rings) at this ceremony, held in late fall. Key Night is combined with a Christmas concert given by the chorus.

## MASS OF THE HOLY SPIRIT:

At the beginning of each school year; the student body takes part in a Mass invoking the blessings of the Holy Spirit for a fruitful college year.

## SOCIAL EVENTS:

Fall Dance - is a Student Council activity, held in early fall.

Freshman Dance - gives the freshman class a chance to work together by organizing a dance for the student body. It is usually held in February.

Christmas Dance - sponsored by the sophomore class, this dance is one of the most well-attended social events of the year. It is the only all-school formal affair, and is usually held in one of the better hotels of the city. A queen is chosen through competition based on class participation.

Christmas Party - for student body, faculty, and administration, is usually given shortly before Christmas vacation. The party includes a program of skits and entertainment.

Dinner Dance - a tradition recently revived by the juniors in 1964-1965, this function is held in honor of the senior class. The dinner-dance takes place in May at an area hotel or country club.

Resident Students' Parents Weekend - gives the parents and friends of the resident students the opportunity of seeing firsthand the physical and academic environment in which the student lives.

**PARENTS' WEEKEND:** This annual tradition features a number of activities and events planned for both parents and students among which are: The Father-Daughter Banquet, the Mother-Daughter Brunch, and finally, a Mass, followed by a Family Breakfast.

## STUDENT ORGANIZATIONS

### STUDENT GOVERNMENT ASSOCIATION:

All of the students of Avila College are united in an organization called the Student Government Association. Its aim is to assist the students of this college in the pursuit of their endeavors and to govern and promote these affairs; to stimulate an awareness of the place of liberal arts in our society; to investigate student-teacher relations, faculty and administrative policy, and curricula.

The Student Council, composed of the executive and advisory boards, forms the permanent elective committee of the Association.

The Constitution of the Association may be found in the last section of this handbook.

### NATIONAL FEDERATION OF CATHOLIC COLLEGE STUDENTS:

The N.F.C.C.S. is an apostolic organization which has as its aims the promotion of Catholic student leadership on campus, regional and national levels. Every student at Avila receives a membership in this association through payment of the activity fee which includes the national dues.

The college is represented on the campus (and also on the regional and national levels) by junior and senior delegates. The duties of these delegates include the stimulation of thought and action on significant contemporary issues in order to promote personal commitment to the work of the Church and the perfection of society.

### ART SERVICE:

The Art Service is one of the most active organizations on campus. Not a club but a service group, it was begun with the aim of improving the quality of posters displayed on campus. Membership is open to any student interested in lettering, design of posters, or any of the fields related to this phase of art. A major or minor in art is not required for participation.

### DRAMA CLUB:

The Drama Club has for its purpose the fostering of student and community interest in this representative phase of the liberal arts. The club welcomes membership and participation of the students both in the production of its presentations and as a supportive audience.

#### GLEE CLUB:

The Choral group represents the college at various intercollegiate and community functions.

Membership is based on both the ability and interest of the applicant. Credit hours may be earned through participation in chorus activities. (Refer to Catalogue).

#### FRENCH CLUB:

The French Club aims at developing among its members an interest in French culture and comparing and contrasting the backgrounds of the French people with those of the United States.

While maintaining a solid intellectual program through student and guest lectures, French films, and field trips, the club also schedules social events.

#### INTERNATIONAL RELATIONS CLUB:

The purpose of the I.R.C. is to acquaint the students with current international affairs and stimulate active interest in them. The club holds open forums at which the students may express their views on foreign policy and at which programmed discussions are carried out.

The I.R.C. is affiliated with a national organization which holds annual conventions in various parts of the country.

Any student who wishes to join can benefit greatly from this experience.

#### MISSION CLUB:

The Mission Club is unique in the fact that it is the only religious club on campus. The purposes of the club are: to initiate an interest in the missions and to inform the students of their activities; to explore mission possibilities in our own area; to aid the missions through prayer and fund-raising projects; to supply a spiritual influence on campus. Membership is open to all interested students.

#### NU SIGMA CHI:

Nu Sigma Chi is the campus club for students majoring in or interested in nursing. Its purposes are to promote unity among its members, to strive for better professional nursing, and to give service to others.

At the monthly meetings, the club presents films and guest speakers on various topics related to nursing.

Nu Sigma Chi encourages membership and participation in the activities of a larger organization - the National Student Nurses' Association.

#### PRESS CLUB:

The students of Avila College, under faculty supervision, issue a newspaper six times during the school year - the Avila Collegian. The editors and staff are selected by the moderator on the basis of interest, ability, and merit.

The purpose of this student publication is to provide an effective means of communication between faculty and students in all phases of campus life.

#### SOCIOLOGY CLUB:

The Sociology Club is an organization based on the purpose of furthering knowledge in this field. It is a required activity for students majoring in sociology and membership is open to all students. Typical club projects are discussions of various aspects of social work and field trips within the community in relation to sociological problems.

The club is also responsible for statistical surveys taken of student attitudes and opinions.

#### STUDENT NATIONAL EDUCATIONAL ASSOCIATION:

The S.N.E.A. is a pre-professional organization for college students preparing to teach. Members of the Avila chapter are automatically student members of the Missouri State Education Association and of the National Education Association, and they receive professional journals of these two organizations. S.N.E.A. meetings are held monthly and are planned to present educational opportunities to its members over and above their formal class material.

Avila students with a major or minor in education are expected to be active S.N.E.A. members; participation in S.N.E.A. activities is included in the professional credential file of each teacher placed through the Department of Education and Psychology.
